

A Special Meeting was held on Friday, December 13th, 2002, in the Village Hall at 4:30 p.m.

Present: Glenn Weyant, Mayor
Paul Morra, Trustee
Daniel Powell, Trustee
Jill Dodds, Clerk

Also present: Mr. William A. Ticho.

The Mayor opened the Meeting with the Pledge of Allegiance.

The Mayor read Resolution # 25 of the year 2002 authorizing him as the designated official to sign the Bike Path SPPP Funding Contract with the CWC.

Mr. Ticho wanted to know how the remedial work would affect property owners on either side of the Bike Path. The Mayor explained that the Village would be obtaining land use agreements.

Trustee Powell made a motion to approve the Resolution. Trustee Morra seconded. All in favor. Motion carried.

Mr. Ticho had a concern over certain individuals who had cut a detour from Bloomer Road onto the Bike Path through his property. He said they had cut down small bushes with chain saws. He had thought he might put up "No Trespassing" signs and the Board encouraged him to do so. The Mayor would also make sure that the Kaaterskill Snowmobile Association contact Mr. Ticho since they have a form contract which they have been presenting to local property owners, establishing the right to use certain sites, which sites would be fully covered under their liability insurance policy.

There being no further business, the Meeting was adjourned.
