

RESOLUTION

2000-3

WHEREAS, there is a dangerous situation existing at the junction of Tompkins Street and Route 23A (Main Street) caused by cars parking on each corner (in front of Jeff Prince and Garrisons Sporting Goods). From Tompkins Street the view of oncoming traffic on Route 23A is obstructed and during the last snow storm our Highway Department found it difficult to make the turn with the plow.

NOW, THEREFORE, BE IT RESOLVED that the Board of Trustees of the Village of Fannersville request approval from the Department of Transportation to put "No Parking" signs on each corner at said junction.
