

Street Lighting  
Addition

RESOLUTION 2000-2

February 24, 2000

**RESOLUTION AUTHORIZING ADDITION TO STREET LIGHTING**

**WHEREAS** a resident of the Village has complained that the current street lighting is not sufficient to light his entrance since the fixtures are located so far apart, and

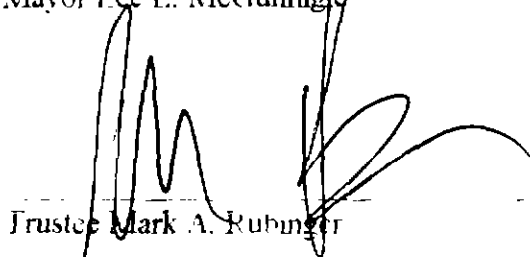

**WHEREAS** he feels that his person and his property are unsafe, and

**WHEREAS** he is now a full time, retired, resident and his wife is confined to a wheelchair, he has requested that an additional street light fixture be installed on a pole that is located directly outside his house.

**NOW, THEREFORE, LET IT BE RESOLVED** that the Board of the Village of Tannersville will support such request and instruct Central Hudson to install the additional light fixture.
